SUBJECT : Office of Personnel Report - Week Ending

Our retirement specialists are conducting comparative sample studies of pending retirement cases to verify the actual dollar differences under these options. The facts which are developed in this sampling are, of course, very pertinent in counseling retirees in determining their optional retirement date.

2. Speaker for the Reserve Program from the White House: Colonel Alexander M. Haig, USA, Military Assistant to the White House, has accepted an invitation to address the Agency Military Reserve Unit on
